City of Newburgh Seeks Housing Loan Advisory Committee Members

The City of Newburgh is seeking Housing Loan Advisory Committee members to support the HUD Community Development Block Grant Housing Affordability Program. This program provides low cost loans or forgivable grants for the rehabilitation of properties in the City.

Established by the City Council, the Housing Loan Advisory Committee monitors all underwriting activities, and makes the final determination on approval of individual applications.

The Housing Loan Advisory Committee is made up of two representatives from banking, two from not-for-profits and a City resident serving at-large. Currently, the Committee needs one representative each from banking, not for profits, and from the City, all to serve for two year terms.

Those interested in participating in this Committee are encouraged to submit a letter of interest and resume which details their knowledge and experience to:
